

# Informed Consent Form

This form refers to usability testing for Figaro application.

By signing this document the participant agrees with the following statements:

- I have freely volunteered to participate in this experiment
- I have been informed in advance what my task(s) will be and what procedures will be followed
- I have been given the opportunity to ask questions and have had my questions answered to my satisfaction
- I am aware that I have the right to withdraw consent and to discontinue participation at any time, without prejudice to my future treatment
- I acknowledge that I will be taken pictures during the procedure, but those pictures will not be published
- My signature below may be taken as affirmation of all the above statements; it was given prior to my participation in this study
